For Evergreen

There's nothing like the crisp, fresh smell of an evergreen forest. The fragrance of a Christmas tree lot in December, or a camping trip in late fall, brings the great outdoors inside with Evergreen fragrance.

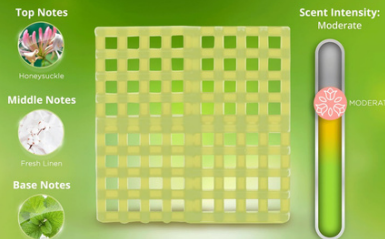

Exotic Teak

Exotic Teak fragrance feature bold and woody notes of Baltic Amber, Cypress, Birch, and Oud Wood.

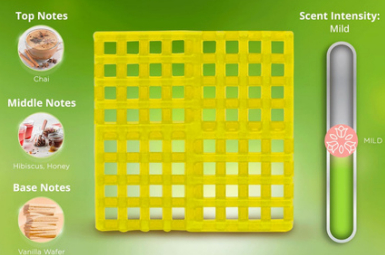

Mountain Air

Mountain Air smells like early morning in a calm cabin far, far away. Pine needles crunch underfoot, a brook bubbles in the distance, and serenity fills the air. Take a deep breath and relax your worries away.

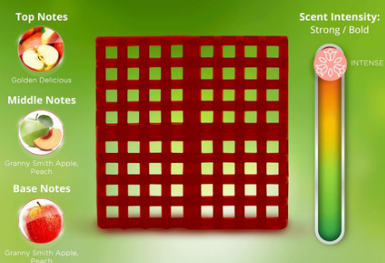

Tahitian Vanilla

Tahitian Vanilla fragrance offers a soothing combination of sophisticated scent notes including Chai, Hibiscus Honey, and Vanilla Wafer.

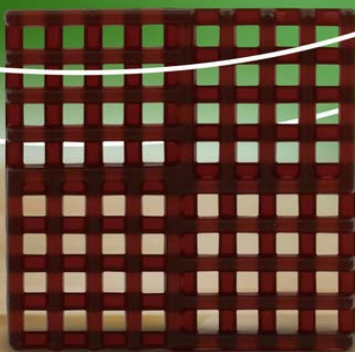

Apple Orchard

Take a bite of a sweet Honey Crisp, rich Red Delicious, or tart Granny Smith Apple fresh from the orchard. Take a trip to the Apple Orchard in the fall when you use an Apple Orchard No-Mess Tart™ in your wax warmer.

VENTED SHAPE provides a more consistent fragrance release.

LONG-LASTING FRAGRANCE REFILL
